

the sales tax in Illinois is 6.25%. about how much will a pair of jeans that has a ticket price of \$48.99 cost, including sales tax?

Answer 1

Answer:

Cost of the pair of jeans = \$48.99

Sales tax = 6.25%

Total cost = \$48.99+6.25%

= \$49.05

Therefore, the total cost including sales tax is \$49.05
